

6th Grade Roller Skating Party

On Thursday, December 22nd all 6th graders have the opportunity to attend the 6th grade roller skating party at Roll Xscape Skating Center in Holland. The cost for this field trip is \$11.00. The skating party will run from 11:00am to 1:00pm. If they wish, students may bring additional money that day for concessions/arcade at Roll Xscape. There are also skate mates available to rent for an additional \$5.

The party includes skate rental, skating, and transportation. If your child chooses not to skate or wants to bring his/her own skates, they may, but the cost remains **\$11.00**. Please be advised that personal skates will be checked at the door for cleanliness and safety requirements and all students must wear socks.

Students have two options for lunch:

1. Bring a **DISPOSABLE** sack lunch with student's name on it (NO LUNCH BOXES)
2. Order a sack lunch from school

Please complete the permission slip below and **return with an \$11.00 check made out to FMS OR cash to your child's 1st hour teacher by Tuesday, December 20. Donations are appreciated for students who need financial assistance.**

Thank you,
6th Grade Teachers
